COUNCIL COMMUNICATION

AGENDA TITLE: Public Hearing to Consider a Resolution to Vacate the 6-foot Public Utility Easement Along the North Property Line of Lot 189, Lakewood Subdivision, Unit No. 4

MEETING DATE: February 21, 2001

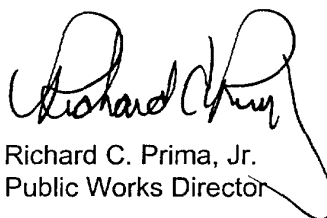

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council, after reviewing the findings of the Planning Commission, conduct a public hearing to consider a resolution to vacate the 6-foot public utility easement along the north property line of Lot 189, Lakewood Subdivision, Unit No. 4, as shown on Exhibit A.

BACKGROUND INFORMATION: At the regular Council meeting of January 17, 2001, the City Council adopted a resolution of intention to vacate the 6-foot public utility easement along the north property line of Lot 189 of Lakewood Subdivision, Unit No. 4, saving and excepting the west 6 feet and the east 5 feet of the public utility easement, and referred the matter to the Planning Commission. The Planning Commission held a public hearing on January 24, 2001, to determine public need, present or future, for this public utility easement. Resolution No. P.C. 01-04 was passed and adopted recommending that the 6-foot public utility easement along the north line of Lot 189 be vacated.

The public utility easement was originally intended for utility poles and overhead utility lines. A new public utility easement has been dedicated for this purpose on a 30-foot strip of land north of the original easement. The owners of Lot 189 purchased this property from the City in 1998. Abandonment of the 6-foot easement along the north line of Lot 189 will allow the owners to make improvements and better utilize their rear yard.
